

Already available for Mac and Windows on Steam, **Box Align** will be released by **QUByte Interactive** for Nintendo Switch in a partnership with **Kasulo Game Studio**.

Relax, have a peaceful moment and boost your brain. Discover the power of the **Box Align** puzzle game! With simple gameplay, try to eliminate all the boxes listening to a good mood music.

*For a relaxing time make it a Box Align time!*

## About Box Align

Box Align was conceived to be a very easy going and casual puzzle game with the intent to bring some relaxing time for those who enjoy a good and challenging puzzle.

The game has 99 puzzles in increasing difficulty. With 7 different color boxes and 5 special boxes with different behaviors, the player needs to arrange boxes in a row of three or more to make them disappear. It is

**Announcement**

## Box Align Nintendo Switch

not a race against time, so the player has all the time he needs to complete each level.

The gameplay are very simple and intuitive, very suitable for all ages.

## Especial Boxes

Can't Move: Cannot be moved.

Cage: Must be combined with a sequence of the same color to be released.

Special: Can be combined with anything.

Bomb: Activates only if it is in the middle of a combination, and eliminates the surrounding boxes.

Chameleon: Changes the color itself according to time

## Features

- 99 Levels
- 7 boxes and 3 extra box behaviors
- 3 special unique boxes
- Minimalist game concept
